## WORK EXPERIENCE

### Apple, Inc.

Product Zone Specialist

March, 2015 - Present

### Media Arts Center

Graphic Design Intern

February, 2017 - Present

## PROJECTS

### Nerd Up!

A website for CS students to collaborate on projects and homework together. My team won the open source BC Hackathon with this project. "Code Mirror" was implemented in our page using JavaScript and their API. We also used HTML and CSS.

[Please visit my website to view all projects at carlaheywood.com](http://carlaheywood.com)
